WORK EXPERIENCE

Front End Programmer Consultant

Potawatomi Training (contracted through Robert Half International)

10/2022 - 5/2023,

Non-profit organization that gives back to the community.

Achievements/Tasks

- Collaborated with Instructional Systems Designers (ISDs) to create SCORM compliant lessons delivered through a Learning Management System (LMS).
- Collaborated effectively with managers, artists, animators, and sound engineers to develop web applications, ensuring that all elements were integrated seamlessly and met project requirements.
- Flexibly work in a fast-paced, dynamic environment, where priorities and deadlines may change.
- Problem-solved both independently and as part of a team, leveraging my knowledge of JavaScript, Github, JSON, and CSS to identify and resolve technical issues quickly and efficiently.

Web Developer

franciscaordegafoundation.com

2018 - 2022,

Non-profit organization that gives back to the community.

Achievements/Tasks

- Design and development of website code using React, Express, MongoDB and Node.js.
- Develop administration backend to make updating accessible to admins.
- Developed the UI + UX through research and prototyping.
- Performed SEO and minor updates.

Web Developer

House Of Hoops. Inc.

2008 - 2018,

Non-profit organization that teaches the youth to play sports.

Achievements/Tasks

- Design and development of website code using HTML PHP, CSS and ActionScript.
- Developed graphics and designed the user experience, with feedback from the Technical Lead.
- Develop and test an inventory management system using MySQL and PHP.
